

ZEN AND THE ART OF MUSHROOM HUNTING

SATURDAY, MARCH 19TH, 1 PM

Please join us for a lighthearted and richly illustrated introduction to the wonderful world of fungi by **Debbie Viess**. Fungal Art, science and philosophy will all be covered in this talk, with striking fungal examples from across the nation. Get a feel why field mycologist and mushroom hunters are so fascinated by the occult and obscure kingdom of fungi, and then venture out with us and find some mushroom magic of your own!

Debbie Viess is a trained biologist and naturalist, writer and artist. She is the co-founder of the Bay Area Mycological Society, the newest and most dynamic, science-centric mushroom club in the Bay Area.
