

Pescadero Conservation Alliance Hike-A-Thon fundraiser

September 12th, 2009

Come join the Pescadero Conservation Alliance, a non-profit environmental group located in the Northern Santa Cruz Mountains, at a hike-a-thon in the beautiful Gazos area. The Pescadero Conservation Alliance is an environmental group creating an environmental camp in the pristine Gazos area. Our objective is to set up the camp as a field research station where scientists and students alike can learn, research and explore. We think that educating kids on the environment is the most important thing we could be doing.

Please come join us on three educational walks to learn about the areas history, geology, flora and help us raise money at the same time. We will be offering three hikes guided by local experts. The hikes will range from 3 miles to 12 miles (the 12 mile hike will not be guided).

The guided hikes will start at 10am, but you can arrive later as we will continue to send out guides throughout the day. We will put out a cold buffet after 12pm.

For more information on the hikes and the guides please visit our website (listed below) or e-mail us at the e-mail below.

For more information about Pescadero Conservation Alliance please visit www.gazos.org

For more information and entry forms for the hike-a-thon please e-mail Jaime at bennett3200@yahoo.com
